1966

We stood in awe,  
That first day,  
Gazing at this that was  
To be our house of learning  
For four years.  
Fairhaven High School.  
It was new, unknown,  
Unfamiliar. Perhaps  
We were afraid.  
We looked up at the  
Tower of the school.  
High, so high, it rose.  
Then we climbed the steps  
And entered. Our school.  
Thus each began the  
Ascent of a new,  
Unchallenged peak.  
Thus each stepped  
Anew into Life.

## We Dedicate

Mrs. Evelyn E. Martin

It has been said that "the highest of distinctions is service to others." Helping others, aiding them, is truly a task of honor, but it is also one of dedication. Unselfish giving of one's self, one's time, and one's knowledge to others is indeed a job in itself. It requires patience, understanding, and a feeling for people.

Mrs. Martin has patience, she has understanding, and she has feeling for people. Whether comforting us when we're sick, or reprimanding us for a misdemeanor, Mrs. Martin was our friend, our advisor. She coordinated our "ins" and "outs" and pulled the loopholes out of our weekly schedules. She gave to us an orderly environment in which to learn, and by so doing, aided us in our education. Mrs. Martin was familiar to all of us, and for all she was an indispensable friend.

It is to you, Mrs. Martin, that we dedicate this, our yearbook, in gratitude for all the myriad services you have rendered us.

# From Our Principal

## Members of the Class of 1966

Soon you will leave behind you a phase of your life which can never be relived except in the memories that come to you in unexpected ways and times. Yet it is not a time for gloom. Life is a precious, refreshing phenomenon which brings to you constantly new and exciting moments.

As you have known from early childhood, the best view of the landscape is the one you see from the top of the hill. So it is with your day to day living. Your vision encompasses more as you aspire to a fuller life if your aspirations direct your path upward. Your yearbook theme, "Climb Every Mountain," is most appropriate. One never knows what lies beyond the ridge. The vista from the summit may give you inspiration and courage to continue your quest for a more satisfying life. Be then, as our New England poet, Whittier, wrote,

"A man to match his mountains, not to creep  
Dwarfed and abased below them."

May your climb upward bring you joy and success.

What is education?  
Education is a search,  
A search after truth,  
Whose sole guidepoint  
Is knowledge;  
Knowledge gleaned  
From nature,  
From the past,  
From action and experience.  
Throughout our lives  
We continue the search  
While, we, as students,  
Have only begun here.  
For it is here that we have  
First learned  
To search—  
To search high and low.

During our years at Fairhaven High School, we are given training in the arts of speaking and writing with ease and clarity. We learn to express ourselves to others and to communicate our thoughts. Another facet of English training at F.H.S. is varied reading in English, American, and world literature. Through prose and poetry we continue our search after truth.

Fairhaven's famous study hall refugees poised in thought.

Mrs. Shapiro shares another moment of gay camaraderie (?) with Linda Holmes.

# Foreign Languages

Knowledge of the rudiments of another language is a vital part of what we learn in Latin, French, and Spanish classes, but it is, in fact, only a portion of the true scope of study. By studying Latin we learn of the ancient and memorable Roman civilization; we study her society and read the works of her greatest authors. In French and Spanish we become acquainted with modern civilizations whose cultures and languages live today. This too is a part of our search.

"I don't want to tell you the end of the story, *but* ...!"

Mathematics and science courses at Fairhaven High take us still further through the abstract and the practical. Courses in modern math offer an opportunity to come to grips with theoretical concepts which are still being tested and debated. # Social Studies

Social studies are a link with the past and the present. World history gives us the background we need to fully comprehend and appreciate all that is taking place around us. American history fosters our pride as citizens and our understanding of the problems we face as a nation. Mrs. Borowiec and friend try to balance the books.

Oh come now, kids, you *know* transcription can be fun!

You'd think the Beatles autographed that one!!

Mrs. Rosa keeping the boys in line. After all, it *is* a woman's world, even at F.H.S.!

Nine score and four days ago the Class of '68 entered the hallowed halls of Fairhaven High School. High in spirit, low in funds, we soon became an active and happy group of underclassmen.

Allotting ourselves the project of the year of magazine peddling, we found that our class was just as industrious outside school as in.

We are well represented in nearly all school functions with members in the "Spray," as Junior Achievement reporters, Key Club members, and members of the many other school-sponsored activities.

"Ours is not to reason why, ours is but to do" and wait! Wait 'til we're seniors!

Aiding the officers are the Executive Board members *from left to right:* Paula Cabral, Joyce Jacobsen, Beth Dearden, and Ruth Henriques. Absent when this picture was taken was Jeff Brasor.

Left or Right?

This was a familiar problem faced by many a Sophomore student.

After selling magazines as their class project, the Sophomore class developed a new extra-curricular activity!

These officers should be commended for a job well done. *From left to right:* Howie Barrow, secretary; Barbara Bouchard, treasurer; and Tom Murphy, president.

After being the youngest class in the school for two consecutive years, we eagerly awaited the arrival of our Junior year. We realized the many wonderful experiences this year would have in store for us. The arrival of our class rings in November reassured us of the fact that we were now upperclassmen.

Following the election of class officers and executive board, it was decided that selling fruit cakes would be our class project. Our prom, which was entitled, "Arabian Nights" will always remain as a highlight in our high school days. As our Junior year came to a close we were met face to face with Junior Day. Our happy year as Juniors was at its end; yet we all looked forward to our Senior year.

The following Executive Board members assisted the officers in all class endeavors. *Left to right are:* George Amaral, Tom Powers, Louie Kruger, Susan Medeiros, and Sue Hartigan.

# J u n i o r s

Our class rings symbolized that we were now upperclassmen, a step away from facing Senior responsibilities.

Boys, don't be so serious. You're supposed to be glad that you're getting rid of these fruit cakes, not mad!

The group acts to help new students become adjusted to American school life. This way the student returns to his native land with a little more understanding. Is there any better way toward world peace?

Seven peppy girls yelling for a winning football team.

Fairhaven's nine cheerleaders, led by Joyce Isherwood, have cheered both the football and basketball teams to victories. The girls practice throughout the year with much faith in Fairhaven's teams. ## Band

"No friend like music"

Fairhaven's top notch band has had another very successful year. Many routines were presented at our football games, and much boisterous spirit was given us by the band at our school rallies. The Annual Pops Concert was presented under the theme of "Music of the Theatre." and was a tremendous success. The musicians represented Fairhaven High School creditably at the Southeastern Massachusetts Auditions Festival held in Fairhaven. The band also elects officers to lead the group in carrying out its activities. This year's officers were: Pres. N. Higgins, Vice-Pres. C. Thompson, Secretary J. Camara, Treasurer C. Filipek.

Once a week a group of young artists climb the marble stairs past our beautiful stained glass windows to the tiny little art room in the tower beneath the clock.

The Art Club enables its members to gain further experience in art. The club fosters new and different experiments with all types of materials and encourages all creative efforts. Among the favorite media used are drawing inks, colored pencils, water colors, and sketching charcoal.

The group also arranges field trips to further their knowledge of art.

## Football

Coaches Lombardo and Arieta discuss the game.

This year's football team produced the first winning season since 1957. In the first three games the season looked dim, but our boys never gave up. This was proven when all but one of our victories were come from behind wins. The highlight of the season was the victory over Dartmouth on Thanksgiving which gave the team a winning season and avenged last year's loss.

The new head coach, Mr. Lombardo, developed our team into a well-trained and spirited unit. Coaches Arieta and Dodge also helped to mold the players into a team which we all can be proud of.

This year's basketball team had a very commendable season. The Blue Devils far exceeded all pre-season predictions and earned a respectable 11-6 record. Fairhaven was strong because of the well balanced team. The season was highlighted by last second victories over Dartmouth and Feehan, in addition to a single overtime victory over New Bedford Voke and a thrilling double overtime victory over Dartmouth in the last game of the season. The J.V.'s compiled an astounding 15-2 record.

Frank Faria warms up.

Although they didn't win many games last year, the baseball team learned a great deal about the game from Coach Wilson. These lessons will prove valuable to the returning members of this year's team.

The season was highlighted by double victories over N.B. Voke, a one-hit pitching performance by John Marsden over North Attleboro, and a four hitter in defeat, thrown by Frank Faria against Duffee. The team's workhorse pitchers, Frank Faria and Russ Maceda, turned in several fine performances, only to lose heart-breaking decisions.

The F.H.S. golf team had its second consecutive .500 season in 1965. Their record was 4 wins, 4 losses, and 2 ties. This is a commendable record considering the fine quality of golfers in the Bristol County loop. This year Mr. Arieta took over as coach and helped many of the boys with their games. The players were: Wayne Young, Wayne Costa, Walt Wlodyka, Mike Janak, Mike Janson, Howie Barrow, Ronnie Chasse, and George Amaral. The upcoming season looks promising for the team, as only two players left via graduation.

High scorers were Linda Cabral and Debbie Jackson; team co-captains were Debbie Jackson and Sue Mendell.

The Junior Varsity was made up entirely of Sophomores, all of whom had never played a competitive sport before. They did not have a winning season, but the girls did learn the necessary skills which will make victory much easier in the coming year. The team was captained by Paula Cabral.

In addition to arranging class projects, the officers made preparations for the Senior Prom and many other Senior functions. The fine qualities of leadership and responsibility that our officers have exemplified will always be remembered in the years which follow.

# Class History

In September 1962, we, the class of 1966, young, eager, and nervous, entered Fairhaven High School as Freshmen. We watched the self-assured Seniors with ill-disguised envy as we struggled to join the mainstream of life at F.H.S. One of our first acts as a class was the election of officers. They were: Sandra Morris, President; Suellen Aiken, Vice President; JoAnn Kidd, Secretary; and Anne Hayes, Treasurer. Our Executive Board members were Holli Maxfield, Kathy Foley, Margaret Carpenter, Carole Filipek, Nancy Morris, and Jane Hiller. Although the day when we would be Seniors seemed eons away, we soon began preparing for that day by selling candy as a class project. The year passed quickly, perhaps too quickly as we look back now, and we were soon Sophomores.

Our Sophomore year was a difficult one as we were caught between two extremes—no longer insecure Freshmen, ~~we still lacked the all-important~~ upperclassman status. Our class officers during this challenging year were: Sandra Morris, President; JoAnn Kidd, Vice President; Suellen Aiken, Secretary; and Joyce Isherwood, Treasurer. Assisting them was the Executive Board comprised of Ann Delano, Kathy Foley, Peggy Bouley, Patrick Lang, and David McCombe. We repeated the success of the previous year by again selling candy as a class project.

As Juniors we received our class rings early in October. These were the tangible confirmation of our positions as upperclassmen. Our officers for this busy and rewarding year were: Sandra Morris, President; Suellen Aiken, Vice President; Susan Ross, Secretary; and JoAnn Kidd, Treasurer; Randall Leisey, Peggy Bouley, Ann Delano, Kathy Foley, and Joyce Renaud made up the Executive Board. Our new, but highly successful project was the sale of Christmas Fruit Cakes. In March, several of our best students were recognized in the solemn ceremonies of the Honor Society Initiation. The new members were: Linda Fisher, President; Jane Hiller, Vice President; Margaret Car-

penter, Secretary; Karen Madeira, Treasurer; Wayne Cardoza, Roger Lussier, Dara Johnson, and David McCombe. On May 7th, the Land of the Midnight Sun materialized in the Larch Avenue Auditorium for our Junior Prom. The queen for this magic and fanciful evening was Elsie Sylvia, and Peggy Bouley was her lady-in-waiting. Sandra Morris, JoAnn Kidd, Susan Ross, Andrea Davignon, Dona Wetherbee, Suellen Aiken, and Ann Delano comprised the queen's court. Junior Day was a turning point in our high school years. Jane Hiller received the College Club Book Award, and Randall Leisey received the Harvard Club Book Award. The excitement was hushed for a moment as our president, representing our class, accepted the symbolic mantle of leadership from the graduating Senior president. We were momentarily sobered by the responsibilities we were preparing to shoulder, and not a few of us were looking ahead for the first time toward our graduations with sadness.

As Seniors, we had gained the poise and assurance which had seemed so remote three years ago. Our days were busy, and we had little time for reminiscence. Our elected officers were: Randall Leisey, President; Sandra Morris, Vice President; Patrick Lang, Secretary; Suellen Aiken, Treasurer. Peggy Bouley, Ann Delano, Jane Hiller, Joyce Isherwood, and David McCombe made up the Executive Board. Our Senior Play, *The Red Spider*, directed by Miss Cynthia Messier, was presented March 18, 1966. To everyone's delight, it was a complete success. From this time on, we were caught up in preparations for our graduation activities.

With the Senior Prom, held on June 3rd, the annual Senior Banquet, the Solemn Vesper Service of June 12th, and finally with our Commencement Exercises on June 15th, we terminated our high school careers. It is difficult to express the varied emotions which we felt as we lived those two weeks in June. Sadness, regret, anticipation, and hope filled us all. None of us will ever forget the happiness we lived here, nor the dreams we fulfilled here at Fairhaven High.

Given in the year of our Lord, nineteen hundred sixty-six, we do hereby proclaim this last will and testament, and hereby appoint Mr. Trainor executor.

And where were all of Fairhaven's chivalrous young gentlemen while *this* was going on??

"FFEE-E-E-E-E!  
OOOO-O-O-O-O!  
AHHH-H-H-H-H!"

"Wait, just wait till next Saturday!"

"Mooooove 'em up!  
Head 'em out!"

The evening of May 7 was one of the most enchanting of our Junior year. The auditorium had been beautifully decorated and shone with the lights of the Aurora Borealis, which were reflected in mirror balls suspended from the ceiling. We were greeted as we arrived by the Patrons and Patronesses and then waltzed to the music of Lionel Ponte's orchestra.

## Junior

Elsie excitedly accepts her roses from last year's queen Toni Rego

The queen and her radiant court.

Elsie Sylvia was crowned Queen by last year's Queen, Toni Rego. The Queen's court consisted of Peggy Bouley, lady-in-waiting, accompanied by Susan Ross, Jo-Ann Kidd, Sandra Morris, Andrea Davignon, Dona Wetherbee, Suellen Aiken, and Ann Delano. Following the coronation, the dancers participated in a Grand March.

Our Junior Prom had been a dream which ended in reality that night, and will always remain as one of our fondest memories.

Everyone awaits the grand march

. . . while visions of sugar plums danced in our heads??

The Senior Mixed Chorus performs under the direction of Mrs. DiDomenico.

All looked on as Raymond Fonseca, the Senior Class President, presents the symbolic mantle to Sandra Morris, the President of the Junior Class.

## Junior

Jane Hiller receives the College Club Book Award.

It was a beautiful spring day when we marched into the auditorium for the Junior Day Exercises. The day was one of happiness for we would receive the symbolic mantle of the Senior Class.

The Juniors marched into the auditorium to the music of the orchestra. Next the Seniors solemnly paraded down the aisles and filed into their seats.

Kathy Texeira and Steve Messier dedicate the yearbook to Mrs. Knipe.

Michael Houle plays his selection.

# Day

A trombone solo was given by Michael Houle. Jane Hiller received the College Club Book Award, and Randall Leisey was the recipient of the Harvard Club Book Award. A great change had taken place during the short exercises. We filed out as the Senior Class of 1966, ready to assume the responsibilities of leadership.

Randall Leisey is presented with the Harvard Book Club Award.

## American Field Service

The American Field Service is an organization designed to open wide the doors of increased understanding among nations. Fairhaven High School was especially lucky this year to have Michael Novak of Cinco Saltos, Argentina, as our AFS representative.

Mike, as he was called by his friends, was a delightful addition to the student body. Mike was not only a good student academically, but also physically. It was Mike's first contact with football, but he proved to be an important asset to the F.H.S. Football Team. Mike stayed with the Alvin Leisey family and attended school with his American brother, Randy.

We sincerely wish to Mike happiness and success, and hope that we shall again meet.

They're remarkably  
close in size . . .

in sports . . .

in friendship.

So far, and  
Yet, so short the  
Distance has been,  
And the journey  
Remains so long.  
I have done so much,  
But so much is  
Left to be accomplished.  
I see the World  
Before me,  
I feel the Past behind.  
But I stand, suspended for a moment,  
In this time called  
The Present.  
Then . . . Now . . . When?  
Past . . . Present . . . Future  
Faith. Hope. Life.

We are Seniors.  
We look back  
With fond memories  
At our high school years.  
But the world is  
Calling us, and we are  
Calling the world.  
We shall walk slowly out  
Of the halls of F.H.S.  
Visions of familiar rooms  
And friendly faces  
Will flood our minds.  
But also streaming into our minds  
Will come rays of light—  
Hopes, dreams, ideals  
Yet to be fulfilled.  
We have finished our high school  
Years, we have climbed another  
Mountain, and we can now  
See a little more clearly  
The path to the summit  
Of the greatest mountain—  
Life.
